

## KEW UPDATE JANUARY 2019

Dear all,

Please see the update for January.

### Burglary:

In January we had 11 residential burglaries compared to 9 last year.

These have occurred throughout the ward, mostly in the day time.

Methods of entry have predominantly been through the back doors /windows of the property and items taken have mostly been jewellery.

Consider where you keep items of value, are they property marked in any way?

Remember we offer security surveys. If you would like to arrange a visit, please get in touch.

See the below link for advice

### Theft from Motor Vehicle:

This saw a slight decrease 7 compared to 10 last year.

Yet again, these have occurred on Kew Green and surrounding roads, remember to remove all items/valuables when you park.

### Theft of Motor Vehicle:

\_3 compared to 2 last year. Vehicles stolen have included mopeds and Range Rovers, consider using steering locks , alarms.
